Water	Water	Water	Water

### Cutting Instructions:

Cut Four 1 1/2" squares for the sky.

Cut Four 1 1/2" squares for the water.

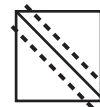

Cut Two 1 1/2" square for the boat.

Cut One 2 1/2" square for the water and one 2 1/2" Square for the boat color.

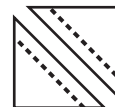

Cut Two 2 1/2" squares for the Sail color.

### Sewing Instructions:

Make 6 half square triangles using the 2 at a time method of drawing a diagonal line and sewing either side of the line 1/4".

Cut them apart and square them up to measure 1 1/2" square. Four of the Half Square Triangles (HST) will become the sails and two of them will become part of the boat.

Assemble as the chart indicates to make the boat shape and sew blocks together. You may want to iron the seams open but I nest the seams for added strength.
